

Family 'Profile'

Jamaica Information Service chief state liaison Ian Boyne, along with his wife Margaret (left) and daughter Kelly-Ana, is all smiles moments after he was presented with the Order of Distinction, Commander Class, for his contribution to the field of journalism.

Annisbelle Nunes (second right), sister of Island Bride Jamaica boss Shikima Hinds, and her fiancé Gregory Pearce are, we are sure, making their own plans to pour bubbly, come December along with Island Bride director Carmel Legros (left) and friend Karen Levy.

Directors of Island Bride Jamaica Carmel Legros (left) and Shikima Hinds (right), took time out to share a toast with Moët & Chandon brand exec Debbie Spence during their Friday evening reception. Moët & Chandon has partnered with Island Bride Jamaica.

Summa Cum Laude

Indeed, we've got high praise for University of the West Indies principal Professor Gordon Shirley, whom we snapped with Jeanelle Van Gaaenweygel, following his acceptance of the Order of Jamaica for his contribution to academia and public service.

Aye, Señoras!

Lovelines CPJ consultant Marta Lamolla (left) and Paula Burgas, wife of Iberostar's purchasing manager, were an absolute delight before our lens at the CPJ dinner.

The Heroes' weekend activities were in full swing Friday last in Montego Bay with a Moët & Chandon reception thrown by Island Bride Jamaica, and CPJ's — The Best of Spain In Jamaica at Iberostar Rosehall. Page 2 shares a few highlights.

España On The Rock

The much-sought-after Spanish ambassador Jesús Silva (right) and his wife Sara (second right), along with (from left) Candace and Mark Hart and Michele Rollins, continued his country's National Day celebrations at Iberostar.

El Embajador

There's a new Cuban ambassador in town, and Page 2 is happy to spill the beans on this one — he's absolutely charming. HE Yuri Ariel Gala Lopez, seen here with his wife Yaima Gonzalez Fineiro, is well worth striking up a conversation with.

Fab Like Mum

CPJ's The Best of Spain in Jamaica dinner gave dazzling mother-daughter pair Michelle Boyell (left) and Paula Kerr Jarrett an opportunity to catch up and style for our Page 2 lens.
